9:15 AM **Opening Panel: “Disruptive Delivery”**
As we struggle to manage a complex system of healthcare in Canada, new and sometimes controversial new models are emerging. The panel will discuss and debate the merits and short-comings of what is increasingly becoming a mix of public and private platforms.

Panelists:

- Alex Munter, CEO, Children’s Hospital of Eastern Ontario
- Dr. Cindy Forbes, President, Canadian Medical Association
- Maureen O’Neil, Canadian Foundation for Healthcare Improvement
- Stacey Daub, CEO, Community Care Access Centre
- Susan Smith, Co-Founder, Canada 2020 (Moderator)

10:30 AM Health Break

10:45 AM **Panel 2: Disruptive Technology**
From glucose meters implanted in a contact lens, to electronic medical records, to breakthrough medical devices, disruptive technology is changing the way healthcare professionals diagnose and treat patients; in addition, these new tools give individuals the ability to increasingly manage their own health - And all of this is happening at a pace we have never seen before. This panel will discuss the healthcare system’s ability to adopt and adjust to these emerging, disruptive technologies and discuss how they are impacting a system under pressure.

Panelists:

- Bill Charnetski, Chief Health Innovation Strategist, MOH Ontario
- Dr. Hoangmai Pham, Center for Medicare and Medicaid Innovation
- Michelle F. Browner, PhD, Platform Innovation & Partnership Management, J&J Innovation
